This document serves as an agreement for the **Non-Paid, Observational Externship Contract** between Azores Veterinary Practice &

_____

(Veterinary Student Name and Veterinary School)

The following rules are to be followed by the veterinary student referred above during their stay with Azores Veterinary Practice:

1) Student must show proof of enrollment in a Veterinary School.
2) Student will be responsible for all travelling expenses to the USA and while in the USA. Azores Veterinary Practice will provide accommodation and **some** meals, in the form of lunches only, for the duration of the externship.
3) The externship will have a maximum duration of 4 weeks.
4) The student is not a licensed veterinarian and as a student will not be directly in charge of diagnosing or treating patients while externing with us.
5) The student will **not be paid** for any services performed at Azores Veterinary Practice.
6) Liability and Disability insurances will not be provided by Azores Veterinary Practice. These insurances will be student's responsibility. If the student does not purchase any disability/liability insurance and the student suffers any injuries or there are any damages to handled livestock, it will be the student's responsibility to pay for medical bills and damages, respectively.
7) It is **MANDATORY** for international students to purchase a health insurance policy at the country of origin that will cover any health care issues while in the USA. For US students, it is required that proof of health insurance is provided.

If any questions or concerns arise, please contact the externship supervisors Dr's. Favaro, Lepiz, or Tadic at the email's listed at the top of this document

All the best,
